## On-Site Shredding Service

### TRANSFER OF SERVICE FROM PREVIOUS VENDOR TO NEW AWARDED VENDOR:

Vendors must communicate with the agencies to arrange the pickup of previous contract holder's containers and the delivery of new containers from the newly awarded contract vendor. This is imperative to maintain shred service for each location.

#### AAA Certification:

Awarded vendor(s) must maintain AAA certified by National Association Information Destruction (NAID). Failure to maintain NAID certification will result in cancellation of contract(s).

#### Shredding Size:

The paper should be shredded using a cross-cut shredder to effect 5/16 inch wide or smaller strips; microfilm and microfiche should be shredded to effect a 1/35- inch by 3/8- inch strips. If shredding is part of the overall destruction of Federal Tax Information (FTI), strips can in effect be set at the industry standard (currently 1/2"). However, when deviating from IRS' 5/16" requirement, FTI as long as it is in this condition (i.e., strips larger than 5/16"), must be safeguarded until it reaches the stage where it is rendered unreadable through additional means, such as burning or pulping. Pulping of data should be accomplished only after material has been shredded.

#### IRS Requirements:

Shredding Size is required by Internal Revenue Service (IRS). Shred Size may change periodically to remain in compliance with IRS standards.

#### On-Site Shredding:

Shredding must be done on-site at the requesting agency's location.

#### Containers:

Awarded vendor(s) must provide locking containers to all agencies who utilize this contract. A minimum of three sizes of containers must be available: appx. 35 - 45 gallon, appx. 55 - 65 gallon, and appx. 75 - 100 gallon.

#### Certificate of Destruction:

Awarded vendor(s) must, upon completion of each job, provide the agency with a certificate of destruction.

#### Liability Insurance:

Awarded vendor(s) must maintain and provide documentation of having a minimum of \$2,000,000.00 general liability insurance per NAID standards. Coverage must be maintained for the duration of the contract.

#### Inspection:

The State of Alabama reserves the right to make inspection of the awarded vendor(s) facilities and equipment before or during the contract period.

#### Final Disposition of Materials:

All materials shredded for the State of Alabama must be recycled; sending shredded materials to a landfill is unacceptable. Written documentation of final disposition may be requested by state purchasing and must be furnished by the awarded vendor(s) within two weeks of request.

#### Annual Agreement:

The purchase order constitutes a contract between the State of Alabama and the vendor. The vendor accepts the contract as written and will fulfill all requirements for the valid period indicated.

Changes/modifications are allowed only by a written purchase order change through the Division of Purchasing.

Invoice to be billed in arrears, to the "bill to" address.

#### Contract period:

Establish a 12 month contract with an option to extend for a second, third, fourth, and fifth 12 month period with the same pricing, terms and conditions. The second, third, fourth, or fifth 12 month period, if agreed by both parties, would begin the day after the first, second, third, or fourth 12 month period expires. Any successive extension must have written approval of both the state and vendor no later than 30 days prior to expiration of the previous 12 month period.

#### Security Statement:

Vendor shall ensure that personnel involved with an state agency project shall be advised of and acknowledge the confidential nature of information contained in state files, the safeguards required and criminal and civil sanctions of non-compliance in federal and state statutes.

#### Requested information:

--------------	--------------------------------	---	-------------------------

Any additional information requested from a vendor must be furnished within five (5) days from receipt of request.

**Assignment of contract:**

To assign, sublet or transfer any contract resulting from this solicitation, the vendor's written request must be approved by the State Purchasing director.

**Administrative fee:**

Awarded bidder(s) are to pay the State an administrative fee for all sales made under this contract. This fee will be 1% of the total dollar amount for all sales. The fee is to be paid each month before the 20th and will represent a single, one-time payment for all sales made in the prior month and as adjusted for errors associated with earlier months. This fee is not to be listed as a separate cost on invoices. The awarded bidder(s) will be required to provide a summary report each month before the 20th listing sales made during the prior calendar month. This report is to include the report contract number, purchasing entity, sales amount, and fee amount. A report is due even when there is no activity. This report is to be sent electronically to telecom.admin@isd.alabama.gov. A copy of the summary report is to also accompany the payment. The remittance is to be identified with the reporting month and contract number.

Remittance is to be payable to the "State of Alabama Department of Finance" and be sent to:

Alabama Department of Finance  
Division of Accounting and Administration  
PO Box 300658  
Montgomery, Alabama 36130-0658

**Non-appropriation of funds:**

Continuation of any agreement between the State and a bidder beyond a fiscal year is contingent upon continued legislative appropriation of funds for the purpose of this bid and any resulting agreement. Non-availability of funds at any time shall cause any agreement to become void and unenforceable and no liquidated damages shall accrue to the state as a result. The State will not incur liability beyond the payment of accrued agreement payment.

**Proration:**

Any provision of a contract resulting from this bid to the contrary notwithstanding, in the event of failure of the State to make payment hereunder as a result of partial unavailability, at the time such payment is due, of such sufficient revenues of the State to make such payment (proration of appropriated funds for the State having been declared by the governor pursuant to Section 41-4-90 of the Code of Alabama 1975), the contractor shall have the option, in addition to the other remedies of the contract, of renegotiating the contract (extending or changing payment terms or amounts) or terminating the contract.

All materials shredded for the State of Alabama must be recycled; sending shredded materials to a landfill is unacceptable. Written documentation of final disposition may be requested by state purchasing and must be furnished by the awarded vendor(s) within two weeks of request.

#### Annual Agreement:

The purchase order constitutes a contract between the State of Alabama and the vendor. The vendor accepts the contract as written and will fulfill all requirements for the valid period indicated.

Changes/modifications are allowed only by a written purchase order change through the Division of Purchasing.

Invoice to be billed in arrears, to the "bill to" address.

#### Contract period:

Establish a 12 month contract with an option to extend for a second, third, fourth, and fifth 12 month period with the same pricing, terms and conditions. The second, third, fourth, or fifth 12 month period, if agreed by both parties, would begin the day after the first, second, third, or fourth 12 month period expires. Any successive extension must have written approval of both the state and vendor no later than 30 days prior to expiration of the previous 12 month period.

#### Security Statement:

Vendor shall ensure that personnel involved with an state agency project shall be advised of and acknowledge the confidential nature of information contained in state files, the safeguards required and criminal and civil sanctions of non-compliance in federal and state statutes.

#### Requested information:

-------------	--------------------------------	---	-----------------------

Any additional information requested from a vendor must be furnished within five (5) days from receipt of request.

**Assignment of contract:**

To assign, sublet or transfer any contract resulting from this solicitation, the vendor's written request must be approved by the State Purchasing director.

**Administrative fee:**

Awarded bidder(s) are to pay the State an administrative fee for all sales made under this contract. This fee will be 1% of the total dollar amount for all sales. The fee is to be paid each month before the 20th and will represent a single, one-time payment for all sales made in the prior month and as adjusted for errors associated with earlier months. This fee is not to be listed as a separate cost on invoices. The awarded bidder(s) will be required to provide a summary report each month before the 20th listing sales made during the prior calendar month. This report is to include the report contract number, purchasing entity, sales amount, and fee amount. A report is due even when there is no activity. This report is to be sent electronically to telecom.admin@isd.alabama.gov. A copy of the summary report is to also accompany the payment. The remittance is to be identified with the reporting month and contract number.

Remittance is to be payable to the "State of Alabama Department of Finance" and be sent to:

Alabama Department of Finance  
 Division of Accounting and Administration  
 PO Box 300658  
 Montgomery, Alabama 36130-0658

**Non-appropriation of funds:**

Continuation of any agreement between the State and a bidder beyond a fiscal year is contingent upon continued legislative appropriation of funds for the purpose of this bid and any resulting agreement. Non-availability of funds at any time shall cause any agreement to become void and unenforceable and no liquidated damages shall accrue to the state as a result. The State will not incur liability beyond the payment of accrued agreement payment.

**Proration:**

Any provision of a contract resulting from this bid to the contrary notwithstanding, in the event of failure of the State to make payment hereunder as a result of partial unavailability, at the time such payment is due, of such sufficient revenues of the State to make such payment (proration of appropriated funds for the State having been declared by the governor pursuant to Section 41-4-90 of the Code of Alabama 1975), the contractor shall have the option, in addition to the other remedies of the contract, of renegotiating the contract (extending or changing payment terms or amounts) or terminating the contract.

## On-Site Shredding Service

### TRANSFER OF SERVICE FROM PREVIOUS VENDOR TO NEW AWARDED VENDOR:

**Vendors must communicate with the agencies to arrange the pickup of previous contract holder's containers and the delivery of new containers from the newly awarded contract vendor. This is imperative to maintain shred service for each location.**

#### **AAA Certification:**

Awarded vendor(s) must maintain AAA certified by National Association Information Destruction (NAID). Failure to maintain NAID certification will result in cancellation of contract(s).

#### **Shredding Size:**

The paper should be shredded using a cross-cut shredder to effect 5/16 inch wide or smaller strips; microfilm and microfiche should be shredded to effect a 1/35- inch by 3/8- inch strips. If shredding is part of the overall destruction of Federal Tax Information (FTI), strips can in effect be set at the industry standard (currently 1/2"). However, when deviating from IRS' 5/16" requirement, FTI as long as it is in this condition (i.e., strips larger than 5/16"), must be safeguarded until it reaches the stage where it is rendered unreadable through additional means, such as burning or pulping. Pulping of data should be accomplished only after material has been shredded.

#### **IRS Requirements:**

Shredding Size is required by Internal Revenue Service (IRS). Shred Size may change periodically to remain in compliance with IRS standards.

#### **On-Site Shredding:**

Shredding must be done on-site at the requesting agency's location.

#### **Containers:**

Awarded vendor(s) must provide locking containers to all agencies who utilize this contract. A minimum of three sizes of containers must be available: appx. 35 - 45 gallon, appx. 55 - 65 gallon, and appx. 75 - 100 gallon.

#### **Certificate of Destruction:**

Awarded vendor(s) must, upon completion of each job, provide the agency with a certificate of destruction.

#### **Liability Insurance:**

Awarded vendor(s) must maintain and provide documentation of having a minimum of \$2,000,000.00 general liability insurance per NAID standards. Coverage must be maintained for the duration of the contract.

#### **Inspection:**

The State of Alabama reserves the right to make inspection of the awarded vendor(s) facilities and equipment before or during the contract period.

#### **Final Disposition of Materials:**

All materials shredded for the State of Alabama must be recycled; sending shredded materials to a landfill is unacceptable. Written documentation of final disposition may be requested by state purchasing and must be furnished by the awarded vendor(s) within two weeks of request.

#### **Annual Agreement:**

The purchase order constitutes a contract between the State of Alabama and the vendor. The vendor accepts the contract as written and will fulfill all requirements for the valid period indicated.

Changes/modifications are allowed only by a written purchase order change through the Division of Purchasing.

Invoice to be billed in arrears, to the "bill to" address.

#### **Contract period:**

Establish a 12 month contract with an option to extend for a second, third, fourth, and fifth 12 month period with the same pricing, terms and conditions. The second, third, fourth, or fifth 12 month period, if agreed by both parties, would begin the day after the first, second, third, or fourth 12 month period expires. Any successive extension must have written approval of both the state and vendor no later than 30 days prior to expiration of the previous 12 month period.

#### **Security Statement:**

Vendor shall ensure that personnel involved with an state agency project shall be advised of and acknowledge the confidential nature of information contained in state files, the safeguards required and criminal and civil sanctions of non-compliance in federal and state statutes.

#### **Requested information:**

18000000043	<b>Document Phase</b> Final	<b>Document Description</b> MA - Statewide Shredding Service	<b>Page 16</b> of 16
-------------	--------------------------------	---	-------------------------

Any additional information requested from a vendor must be furnished within five (5) days from receipt of request.

**Assignment of contract:**

To assign, sublet or transfer any contract resulting from this solicitation, the vendor's written request must be approved by the State Purchasing director.

**Administrative fee:**

Awarded bidder(s) are to pay the State an administrative fee for all sales made under this contract. This fee will be 1% of the total dollar amount for all sales. The fee is to be paid each month before the 20th and will represent a single, one-time payment for all sales made in the prior month and as adjusted for errors associated with earlier months. This fee is not to be listed as a separate cost on invoices. The awarded bidder(s) will be required to provide a summary report each month before the 20th listing sales made during the prior calendar month. This report is to include the report contract number, purchasing entity, sales amount, and fee amount. A report is due even when there is no activity. This report is to be sent electronically to telecom.admin@isd.alabama.gov. A copy of the summary report is to also accompany the payment. The remittance is to be identified with the reporting month and contract number.

Remittance is to be payable to the "State of Alabama Department of Finance" and be sent to:

Alabama Department of Finance  
 Division of Accounting and Administration  
 PO Box 300658  
 Montgomery, Alabama 36130-0658

**Non-appropriation of funds:**

Continuation of any agreement between the State and a bidder beyond a fiscal year is contingent upon continued legislative appropriation of funds for the purpose of this bid and any resulting agreement. Non-availability of funds at any time shall cause any agreement to become void and unenforceable and no liquidated damages shall accrue to the state as a result. The State will not incur liability beyond the payment of accrued agreement payment.

**Proration:**

Any provision of a contract resulting from this bid to the contrary notwithstanding, in the event of failure of the State to make payment hereunder as a result of partial unavailability, at the time such payment is due, of such sufficient revenues of the State to make such payment (proration of appropriated funds for the State having been declared by the governor pursuant to Section 41-4-90 of the Code of Alabama 1975), the contractor shall have the option, in addition to the other remedies of the contract, of renegotiating the contract (extending or changing payment terms or amounts) or terminating the contract.
