

Cullman, AL. ( Joppa Southwest )

Aerial services for site prep on up to 129+/- acres of State Lands Division land located in Township 9 South, Range 1 East ; Section 16 Southwest quarter. Provide all chemicals and labor relating to an aerial application site prep, an aerial ignition burn and tree planting on the above described lands during favorable environmental conditions, located near the town of Cullman in Cullman County, Alabama.

The contractor will be required to post security for performance in the amount of \$2,000. The required security may be in the form of a certified check, an irrevocable letter of credit with a bank approved by the State Lands Division, or a surety bond with a company authorized to do business within the State of Alabama.

16 ounces of 4lb. product per gallon Arsenal Herbicide or generic equivalent  
3 quarts of 4lb. product per gallon Razor Pro Herbicide or generic equivalent  
15 Gallons water / per acre

Herbicide application timing will be from Aug. 1st, 2010 through Sept. 15, 2010

Fire lanes are partially complete. Remaining fire lanes must be swept out and in some cases new fire lanes must be established. State Lands Division requires contractors to utilize BMP's .Use of fire plows are not permitted due to possible long term erosion problems.

Aerial ignition timing will be from October 15, 2010 thru November 15, 2010.

Planting of genetically improved Loblolly pine containerized seedlings from a source approved by State Lands Division on a eight foot by nine foot (8'x 9') spacing (605 stems per acre) in such a manner as to insure the establishment of 500 stems free to grow at the end of the first growing season. If this threshold is not met at the end of the first growing season, contractor must take appropriate action to ensure that the threshold is met at the end of subsequent growing seasons. The work must be done in a good and workmanlike manner in accordance with the latest technology.

Planting timing: November 16, 2010 thru February16, 2011

Each of the above described work components must be approved by the State lands Division prior to the initiation of work.

A pre-bid site visit is suggested. Please contact Ricky Hunt for site visit at 1\*152\*195 Southern Linc. For additional information call Rick Hunt @ 1-800-land-ala.
