

County Rd. 15, Hillwood, Coosa Co., AL

COMMODITY CODE:

Aerial services for aerial application site preparation on up to 686+/- acres of Forever Wild Land Trust land located in following locations:

Coosa County, AL

Township 22 North, Range 17 East, Section 15; Section 16 the East half of the East half, and the West half; Section 17 the East half of the Southeast quarter; Section 20 the Northeast quarter of the Northeast quarter; Section 21 the North half; Section 22 the North half; Section 26 the Northwest quarter, and the North half of the North half of the Southwest quarter.

Provide all chemicals and labor relating to aerial application site preparation on the above described lands during favorable environmental conditions, located near Hillwood in Coosa County, Alabama.

The contractor will be required to post security for performance in the amount of \$10,000. The required security may be in the form of a certified check, an irrevocable letter of credit with a bank approved by the State Lands Division, or a surety bond with a company authorized to do business within the State of Alabama.

The following herbicide prescription will be applied to the entire treatment area as a tank mix:

24 ounces of 4 lb. product per gallon Arsenal Herbicide or generic equivalent per acre
2 quarts of 5.4 lb. product per gallon Accord XRT II Herbicide or generic equivalent per acre
3 ounces of Oust XP or generic equivalent per acre
Appropriate type and quantity of adjuvant
15 Gallons water per acre

Herbicide application timing will be from Aug. 20, 2013 through Sept. 30, 2013.

Each of the above described work components must be approved by the State lands Division prior to the initiation of work. State Lands Division requires contractors to utilize all applicable Best Management Practices for Forestry relating to herbicide application.

A pre-bid site visit is suggested. Contact Shaun Powell for a site visit at SLINC 1*152*1229 or 251-202-1249. For additional information call Ricky Hunt @ SLINC 1*152*195 or 334-534-1843.
